Kindergarten Readiness

Thursday, May 5, 2011 6:30 - 8:00 pm

Come hear a panel of Ann Arbor Public School staff who will help answer these questions:

This is especially helpful for families with 4 and 5 year old children!

- What is the kindergarten curriculum like?
- How do I know my child is ready for kindergarten?
- What does literacy mean for a kindergartener?
- Are the schools ready for my child? Yes!

Find out how you can play with your child while building school readiness skills.
