

GREEN ADVENTURES CAMP 2011
Daily Field Plan

Monday & Wednesday 8/10-11

Lesson: Visit Grandpa Don's / Explore Barton Dam

Field Site: Botsford Recreation Preserve / Barton Nature Area and/or Fox Science Preserve

Concepts / Topics:

Good health as green behavior
Forest flora and fauna
Living in the forest; living with nature
Animals in and around the Huron

Transport: AAPS bus

Required Materials: clipboards & pencils

Activity Plan: Divide camp into two groups for one daily activity Monday and the other Wednesday.

Day 1: Split group in half and divide time between trampoline activities at Grandpa Don's and outdoor exploration and tree house journaling with naturalist.

Day 2: Split group in half for naturalist led activities including using AquaView camera, walking berm and toe drain area, exploring shallows below the dam; explore Fox Preserve.
